

1000mm  
or 100cm

- |  |                    |  |               |
|--|--------------------|--|---------------|
|  | Door               |  | Fireplace     |
|  | Radiator           |  | Step up/down  |
|  | Sliding/Patio Door |  | Uneven levels |
|  | Stairs             |  |               |

Please draw your rooms on the grid above. If possible try to add dimensions and distances in cm or mm, use arrows to help  $\longleftrightarrow$   
You can add these symbols to the relevant areas so we can determine if you need additional trims or mouldings for your floor.  
- Thank you
